October 21, 2020

Greetings GSLA families,

With new restrictions in place starting Friday in DuPage County regarding COVID-19, I wanted to address Good Shepherd Lutheran Academy's plans. There are no mitigation requirements that will affect the day-to-day operations of in-person learning at GSLA. We will stay open, but we will also continue to monitor the spread of COVID-19 in the community and work with the DuPage County Health Department to make sure our students, families, and staff remain healthy and safe.

I also wanted to take a moment to thank all of our families for their cooperation and compliance with our Reopening Plan so far this year. To say we are blessed as an Academy with awesome families would be an understatement. Thank you for filling out the self-certification form each day, providing masks for your child to wear to school, and following the exclusion guidelines when your child develops symptoms. It truly is a privilege to partner with you all in providing a Christian education for your child(ren).

One encouragement I did want to offer our families was to make sure you are sending your child(ren) to school with appropriately fitting masks that comfortably fit around the mouth and nose.

Finally, thank you for your continued prayers for our Academy. We are so blessed that we are able to hold in-person class instruction right now. We pray, by God's grace, that He continues to keep our staff, students, and families safe and healthy.

God's blessings to you all!

In Christ,

Mr. Roekle
